

To Whom it May Concern:

As a former employee of Pacific Bell, I remember 1983. It sounds as though the "Baby Bells" are attempting to re-create the monopolistic atmosphere that abounded prior to Judge Green's decision; only THIS time with DSL. I believe the "We're the only game in town, so you have to put up with anything we care to throw at you" attitude CANNOT be allowed to proliferate again!

Sincerely,

Cher Gates
